CHURCH REFURBISHMENT PROJECT

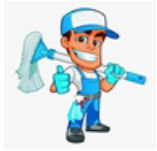

For some time now, the PCC have been working on a project to conserve our wonderful ancient building There is now news of some significant progress.

In June we made an application as an 'Expression of Interest' for a large grant, from the Listed Places of Worship Renewal Fund, administered by Historic England. This was unsuccessful at the time, but following a second application, we have been invited to make a full application by 18th November. We have also submitted the initial stage application for a Faculty for the work from the diocese and this has been accepted.

John is preparing to do a deep clean of the Church on Tuesday 10th November commencing 10am for 2 hours
Can you please offer any help and let him know by calling : 07541 099833
